

**Assistant Community Development Director/City Planner
City of Beverly Hills**

The iconic and exclusive City of Beverly Hills spans 5.7 square miles and is bordered by the Cities of Los Angeles and West Hollywood. This world class community is home to a nighttime population of 34,290 yet manages to accommodate a daytime population of over 200,000. The Community Development Department is responsible for long range planning, historic preservation, transportation, plan check review and permitting, zoning review, building inspections, code compliance, housing, sustainability and architectural review.

The ideal candidate will be a knowledgeable and respected planning professional with deep expertise in CEQA. An experienced manager, he/she will be an outstanding communicator with exceptional interpersonal and relationship building skills. The ideal candidate will be a proven problem solver who is also adept at managing high profile assignments within a dynamic setting. At least three years of increasingly responsible supervisory/management experience and a Bachelor's degree are required. A Master's degree and/or AICP certification is preferred.

Salary range goes up to \$164,364. Salary is supplemented by a generous benefits package. This recruitment will close at midnight on **Sunday, January 4, 2015**. Visit www.tbcrecruiting.com for detailed recruitment brochure.
